The Road Less Traveled....

by John Schaub, President

Hello Miata lovers! It's a new year and we have a new president for your club. That's right, me, John Schaub, along with the help of my lovely wife Marsha. I will be here to help keep the club moving in the right direction and hopefully help it grow. I would like to thank our past president Rick Booe and his wife Suzy for all their hard work last year. I think they did a great job and have handed the club over to me in good order. For those of you who did not attend our annual holiday party all I can say is WHY? It's free (your club dues at work) other than a small gift for the Chinese auction which is half the fun. We had a smaller group than expected, and unfortunately we had no nominees for vice president or treasurer step forward. Ben Herrman has agreed to stay on as our membership director and Sara McBride once again has graciously offered to stay on as our newsletter editor for 2007. Not having a VP or treasurer is a serious problem that we need to remedy soon. If you have any interest in helping out with one of these positions please contact me right away.

We have some exciting things planned for 2007. After a couple years of talk about a new or updated logo for our club we are finally going to put it to a vote. We will be sending out a ballot with three choices, 1 - to keep our original logo, 2 - an updated version of our logo, and 3 - a totally new logo. After the vote we will be putting together a group order for new t-shirts, car magnets, key fobs and other items printed with our club logo.

I am also going to start a new ongoing article called a Tag Article. I will write the first one and at the end I will tag one of our club members who will write the Tag Article for the following month. That member will tag a club member at the end of their article and so on. If you are tagged you may write about anything you want, obviously this is a car club so you should probably keep it somewhat automotive related but it's your article use your imagination.

Once again we are starting the year with a pretty empty calendar of events. We need volunteers to run rallies and mingles. This club is only as good as our members and the work that they provide to help make the club great. If you have never run a rally it is quite easy with the use of our handy rally guide, just contact me for a copy. We also are in the process of having rallies available online for you to choose from that you can run if you can't find the time come up with your own.

Marsha & I are looking forward to serving the club this year and will welcome any and all questions or input you may have.

Until next month keep the shiny side up!
