

## Welcome to Hidden Drives 2018!

Remember to obey the rules of the road and watch for deer, dogs, turkeys, or other things bouncing out into the road. The majority of the roads you will be driving on today are narrow and have no edge lines or even a center line, so remember to stay to the right! The end of this event is at the Big Woods restaurant at Hard Truth Hills in Nashville for lunch. Keep your eyes open and have fun. Lost? (Really?) Try to remember the last point when you weren't lost and call Sara J at 317-513-3453.

	<p>Thanks for coming out for Hidden Drives. I hope you had a good time...</p> <p>To return to Indy, the two easiest ways are: 1) Take SR46 East to I-65 and head north.</p> <p>2) Take IN 135 North through Nashville then left on SR252 to SR37 and head north.</p> <p>Of course, you could take a back road to get home! Much more fun....</p>
